Wonderful Mary's Saturday

Last Saturday was very nice and busy for Mary. She got up very early in the morning and prepared a nice breakfast for herself. She ate fried eggs, pancakes, honey, butter, jam and drank a full glass of orange juice. After breakfast, she took a shower, brushed her teeth and put on some make-up. She wore her favorite dress and shoes and left home. The weather was sunny and warm so she walked to the shopping mall. She met her best friend, Jane there and they went in and out of the shops together. Mary bought some clothes for herself, a nice watch for her dad and a beautiful scarf for her mum. Jane bought a pair of sandals but she didn't buy any clothes for herself because she thought she didn't need any. After shopping they were both tired and hungry, so they went into a restaurant. They both had beef steak, rice and salad and talked about what to do next. They finally decided to watch a drama at the cinema.

Mary bought the tickets and Jane bought some popcorn and fresh orange juice. The film was very touching so they sometimes hugged each other and wept silently. After the film Mary said goodbye to her friend and visited the bookshop to have a look at the latest novels. She found a crime novel by her favorite author and bought it. Then she realized that it was already 3.30 p.m. and she had to hurry up for her piano course. She took a taxi and met her music teacher just on time. It was 6 p.m. when she finally got home. She immediately put on her pajamas and watched some TV. Then she went to the kitchen and helped her mum prepare the dinner. Mary made a green salad and set the table while her mum cooked. Soon her father came home and they ate dinner. After dinner Mary gave her mum and dad their presents. They were both happy because her father needed a watch and her mum was amazed by the scarf's colors. They hugged each other tenderly. It was 9 p.m. when Mary brought her chess set from her room. She played well but her father won the game. Then she went to her room and listened to some music and surfed the Net. It was almost 11:00 p.m. when her mother came with a glass of milk in her hand and told her that it was late. She drank the milk and brushed her teeth. She went into her bed and started reading the novel that she bought. It was so absorbing that she could not leave it. She read and read until she fell asleep.
